### About Me

As an experienced waiter with a background in the yachting industry, I thrive in dynamic environments and excel in customer-facing roles. My strong organizational and communication skills, coupled with my ability to manage conflicts effectively, enable me to deliver exceptional service consistently.

I am adept at multitasking and remain professional under pressure, ensuring smooth operations and satisfied customers.

### Other - Skills

#### Computer Skills:

- Proficient in Microsoft Office (Word, Excel, PowerPoint) and Google Workspace (Docs, Sheets, Slides)
- Strong understanding of front-end frameworks, libraries, and APIs, including ReactJS and NodeJS.
- Experienced in utilizing version control systems such as Git, along with platforms like GitHub and GitLab.
